The Buyback Offer Size represents 9.93% and 1.05% of the aggregate paid-up equity share capital and free reserves of the Company as per the audited condensed standalone interim financial statements and audited condensed consolidated interim financial statements of the Company as on September 30, 2022, respectively (the last audited financial statements available as on the date of Board Meeting recommending the proposal of the Buyback) and is within the statutory limit of 10% of the aggregate of the total paid-up equity share capital and free reserves of the Company, based on both audited condensed standalone interim financial statements and audited condensed consolidated interim financial statements of the Company as on September 30, 2022, respectively. Further, under the Companies Act and SEBI Buyback Regulations, the number of Equity Shares that can be bought back in any financial year shall not exceed 25% of the total paid-up equity capital of the Company in that financial year. The Company proposes to Buyback not exceeding 34,500 (Thirty Four Thousand Five Hundred) Equity Shares of the Company, representing 0.53% of the total number of Equity Shares of the existing total paid-up equity share capital of the Company as on the date of the Board Meeting. Therefore, the number of Equity Shares proposed to be bought back under the Buyback does not exceed 25% of the total number of Equity Shares of the existing total paid-up equity share capital of the Company as on the date of the Board Meeting.

1.3. The Buyback is in accordance with Sections 68, 69 and 70 and all other applicable provisions, if any of the Companies Act, Article 5B of the Articles of Association of the Company and subject to the provisions of the SEBI Buyback Regulations, and such other approvals, permissions as may be required from time to time from the Stock Exchange and/or from any other statutory and/or regulatory authority, as may be required and which may be agreed to by the Board and/or any committee thereof. CFD/DCR/2/CIR/P/2016/131 dated December 9, 2016, and SEBI Circular CFD/DCR-III/CIR/P/2021/615 dated August 13, 2021, including any amendments or statutory modifications for the time being in force (the "SEBI Circulars"). In this regard, the Company will request BSE Limited ("BSE") to provide a separate acquisition window to facilitate placing of sell orders by the Eligible Shareholders who wish to tender Equity Shares in the Buyback. For the purposes of the Buyback, BSE Limited is appointed as the designated stock exchange ("Designated Stock Exchange"). Once the Buyback is concluded, all Equity Shares purchased by the Company in the Buyback will be extinguished in terms of the SEBI Buyback Regulations.

1.4. The Buyback Size is subject to receipt of approvals, permissions, exemptions and sanctions as may be necessary and subject to such conditions and modifications, if any, as may be prescribed or imposed by statutory, regulatory or governmental authorities under applicable laws, including SEBI and BSE (referred as the "Stock Exchange") where the Equity Shares of the Company are listed.

1.5. The Equity Shares of the Company are listed on BSE Limited. The Buyback shall be undertaken on a proportionate basis from the holders of the Equity Shares of the Company as on the Record Date ("Eligible Shareholders") (except any shareholders/beneficial owners who may be specifically prohibited under the applicable laws by Appropriate Authorities) through the tender offer process prescribed under Regulation 4(iv) (a) of the SEBI Buyback Regulations. Additionally, the Buyback shall be, subject to applicable laws, facilitated by tendering of Equity Shares by Eligible Shareholders and settlement of the same through the stock exchange mechanism as specified by SEBI vide the SEBI Circulars. Please refer to paragraph 12 below for further details regarding the Record Date and shareholders' entitlement to tender the Equity Shares in the Buyback.

1.6. The Company confirms that as required under Section 68(2)(d) of the Companies Act and Regulation 4(ii) of SEBI Buyback Regulations, the ratio of the aggregate of secured and unsecured debts owed by the Company to the fully paid-up capital and free reserves shall be less than or equal to 2:1 on Standalone and Consolidated basis after the proposed Buyback.

1.7. The Buyback will not result in any benefit to promoters, the members of the promoter group, persons in control of the Company or any directors of the Company except to the extent of the cash consideration received by them from the Company pursuant to their respective participation in the Buyback in their capacity as equity shareholders of the Company, and the change in their shareholding as per the response received in the Buyback, as a result of the extinguishment of Equity Shares which will lead to reduction in the equity share capital of the Company, post Buyback. Any change in voting rights of the Promoter Group of the Company pursuant to completion of Buyback will not result in any change in control over the Company.

1.8. The Buyback of Equity Shares may be subject to taxation in India and/or in the country of residence of the Eligible Shareholders. The transaction of Buyback would also be chargeable to securities transaction tax in India. In due course, Eligible Shareholders will receive a letter of offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

1.9. A copy of this Public Announcement is available on the Company's website (www.kamaholdings.com) and is expected to be available on the website of SEBI (www.sebi.gov.in), and on the website of the Stock Exchange i.e. BSE (www.bseindia.com) during the period of the Buyback.

2. OBJECTIVE/NECESSITY FOR THE BUYBACK

2.1. The Buyback is being proposed by the Company to return surplus funds to the equity shareholder/beneficial owner of the Equity Shares as on the record date ("Eligible Shareholders"), which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, efficient and cost-effective manner. Additionally, the Company's management strives to increase the Eligible Shareholders' value and the Buyback would result in the following benefits, amongst other things:

- The Buyback will improve financial ratios like earnings per share, return on capital employed, return on equity, calculated on the basis of financial statements, by reduction in the equity base of the Company, thereby leading to long term increase in shareholders' value;
- The Buyback will help in achieving an optimal capital structure;
- The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of equity shares as per the entitlement of the shareholders or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- The Buyback gives an option to the Eligible Shareholders to either (i) choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback or (ii) choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment.

2.2. After considering several factors and benefits to the shareholders holding Equity Shares of the Company, the Board decided to recommend Buyback not exceeding 34,500 (Thirty Four Thousand Five Hundred) Equity Shares representing 0.53% of the total paid-up equity share capital of the Company at price of ₹ 14,500 (Indian Rupees Fourteen Thousand Five Hundred only) per Equity Share, payable in cash, for an aggregate maximum amount not exceeding ₹ 50,02,50,000/- (Indian Rupees Fifty Crore Two Lac Fifty Thousand only) excluding Transaction cost, which represents 9.93% and 1.05% of the aggregate of the Company's paid-up equity share capital and free reserves as per the audited condensed standalone interim financial statements as on September 30, 2022, respectively (the last audited financial statements available as on the date of Board Meeting recommending the proposal of the Buyback).

3.1. The maximum amount required under the Buyback will not exceed ₹ 50,02,50,000/- (Indian Rupees Fifty Crore Two Lac Fifty Thousand only) excluding the Transaction Costs.

3.2. In accordance with the provisions of the Companies Act and the SEBI Buyback Regulations, the Buyback Size of ₹ 50,02,50,000/- (Indian Rupees Fifty Crore Two Lac Fifty Thousand only) excluding Transaction Costs, represents 9.93% and 1.05% of the aggregate of the Company's paid-up equity share capital and free reserves as per the audited condensed standalone interim financial statements as on September 30, 2022 and audited condensed consolidated interim financial statements of the Company as on September 30, 2022, respectively, and it does not exceed 10% of the aggregate of the fully paid up equity share capital and free reserves of the Company as per the audited condensed standalone interim financial statements as on September 30, 2022 and audited condensed consolidated interim financial statements of the Company as on September 30, 2022, respectively.

3.3. The funds for the implementation of the proposed Buyback (including the Transaction Costs) will be sourced out of the free reserves of the Company and/or such other sources as may be permitted by law. The funds borrowed from banks and financial institutions, if any, will not be used for the Buyback.

3.4. 12. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- 12.1. As required under the SEBI Buyback Regulations, the Company has fixed December 23, 2022 as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders who will be eligible to participate in the Buyback.
- 12.2. As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each Eligible Shareholder as on the Record Date will receive a Letter of Offer along with a Tender offer Form (including Form SH-4 as applicable) indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
- 12.3. The Equity Shares to be bought back, as part of the Buyback is divided into two categories:
- Reserved category for Small Shareholders ("Reserved Category"); and
 - General category for other Eligible Shareholders ("General Category").
- As defined under Regulation 2(i)(n) of the SEBI Buyback Regulations, a "small shareholder" is a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange in which the highest trading volume, as on record date, is not more than ₹ 2,00,000 (Indian Rupees Two Lakhs only). For the purpose of classification of a shareholder, as a "small shareholder", multiple demat accounts having the same permanent account number ("PAN"), in case of securities held in the demat form are to be clubbed together.
- 12.4. In accordance with the proviso to Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.
- 12.5. Based on the shareholding as on the Record Date, the Company will determine the entitlement of each eligible shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of equity shares that the Company will purchase from each Eligible Shareholder will be based on the total number of shares tendered by such eligible shareholder. Accordingly, the Company may not purchase all of the shares tendered by an Eligible Shareholder in the buyback.
- 12.6. In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Reserved category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Reserved or General Category) and the Buyback Entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical

shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records notified from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

- 12.7. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.
- 12.8. The Eligible Shareholders participation in the Buyback is voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.
- 12.9. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback.
- 12.10. The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholders as on the Record Date.
- 12.11. The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. The settlement of tenders under the Buyback will be done using the "Mechanisms for acquisition of shares through Stock Exchange" notified by SEBI Circulars. Eligible Shareholders will receive a letter of offer along with a tender/ offer form indicating the entitlement of the equity shareholder for participating in the Buy Back.
- 12.12. Detailed instructions for participation in the Buyback (tendering of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible shareholders as on the Record Date who have their email IDs registered with the Company/Registrar and transfer agent/ depository. However, on receipt of a request by the Manager to the Buyback or KFin Technologies Limited to receive a copy of Letter of Offer in physical format from such Shareholder (to whom Letter of Offer and tender form were emailed), the same shall be sent physically. 1.2. The Buyback Offer Size represents 9.93% and 1.05% of the aggregate paid-up equity share capital and free reserves of the Company as per the audited condensed standalone interim financial statements and audited condensed consolidated interim financial statements of the Company as on September 30, 2022, respectively (the last audited financial statements available as on the date of Board Meeting recommending the proposal of the Buyback) and is within the statutory limit of 10% of the aggregate of the total paid-up equity share capital and free reserves of the Company, based on both audited condensed standalone interim Financial Statements and audited condensed consolidated interim Financial Statements of the Company as on September 30, 2022, respectively. Further, under the Companies Act and SEBI Buyback Regulations, the number of Equity Shares that can be bought back in any financial year shall not exceed 25% of the total paid-up equity capital of the Company in that financial year. The Company proposes to Buyback not exceeding 34,500 (Thirty Four Thousand Five Hundred) Equity Shares of the Company, representing 0.53% of the total number of Equity Shares of the existing total paid-up equity share capital of the Company as on the date of the Board Meeting. Therefore, the number of Equity Shares proposed to be bought back under the Buyback does not exceed 25% of the total number of Equity Shares of the existing total paid-up equity share capital of the Company as on the date of the Board Meeting.

1.3. The Buyback is in accordance with Sections 68, 69 and 70 and all other applicable provisions, if any of the Companies Act, Article 5B of the Articles of Association of the Company and subject to the provisions of the SEBI Buyback Regulations, and such other approvals, permissions as may be required from time to time from the Stock Exchange and/or from any other statutory and/or regulatory authority, as may be required and which may be agreed to by the Board and/or any committee thereof. In this regard, the Company will request BSE Limited ("BSE") to provide a separate acquisition window to facilitate placing of sell orders by the Eligible Shareholders who wish to tender Equity Shares in the Buyback. For the purposes of the Buyback, BSE Limited is appointed as the designated stock exchange ("Designated Stock Exchange"). Once the Buyback is concluded, all Equity Shares purchased by the Company in the Buyback will be extinguished in terms of the SEBI Buyback Regulations.

1.4. The Buyback Size is subject to receipt of approvals, permissions, exemptions and sanctions as may be necessary and subject to such conditions and modifications, if any, as may be prescribed or imposed by statutory, regulatory or governmental authorities under applicable laws, including SEBI and BSE (referred as the "Stock Exchange") where the Equity Shares of the Company are listed.

1.5. The Equity Shares of the Company are listed on BSE Limited. The Buyback shall be undertaken on a proportionate basis from the holders of the Equity Shares of the Company as on the Record Date ("Eligible Shareholders") (except any shareholders/beneficial owners who may be specifically prohibited under the applicable laws by Appropriate Authorities) through the tender offer process prescribed under Regulation 4(iv) (a) of the SEBI Buyback Regulations. Additionally, the Buyback shall be, subject to applicable laws, facilitated by tendering of Equity Shares by Eligible Shareholders and settlement of the same through the stock exchange mechanism as specified by SEBI vide the SEBI Circulars. Please refer to paragraph 12 below for further details regarding the Record Date and shareholders' entitlement to tender the Equity Shares in the Buyback.

1.6. 1.7. The Buyback will not result in any benefit to promoters, the members of the promoter group, persons in control of the Company or any directors of the Company except to the extent of the cash consideration received by them from the Company pursuant to their respective participation in the Buyback in their capacity as equity shareholders of the Company, and the change in their shareholding as per the response received in the Buyback, as a result of the extinguishment of Equity Shares which will lead to reduction in the equity share capital of the Company, post Buyback. Any change in voting rights of the Promoter Group of the Company pursuant to completion of Buyback will not result in any change in control over the Company.

1.8. The Buyback of Equity Shares may be subject to taxation in India and/or in the country of residence of the Eligible Shareholders. The transaction of Buyback would also be chargeable to securities transaction tax in India. In due course, Eligible Shareholders will receive a letter of offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

1.9. A copy of this Public Announcement is available on the Company's website (www.kamaholdings.com) and is expected to be available on the website of SEBI (www.sebi.gov.in), and on the website of the Stock Exchange i.e. BSE (www.bseindia.com) during the period of the Buyback.

2. OBJECTIVE/NECESSITY FOR THE BUYBACK

2.1. The Buyback is being proposed by the Company to return surplus funds to the equity shareholder/beneficial owner of the Equity Shares as on the record date ("Eligible Shareholders"), which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, efficient and cost-effective manner. Additionally, the Company's management strives to increase the Eligible Shareholders' value and the Buyback would result in the following benefits, amongst other things:

- The Buyback will improve financial ratios like earnings per share, return on capital employed, return on equity, calculated on the basis of financial statements, by reduction in the equity base of the Company, thereby leading to long term increase in shareholders' value;
- The Buyback will help in achieving an optimal capital structure;
- The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of equity shares as per the entitlement of the shareholders or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholder would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- The Buyback gives an option to the Eligible Shareholders to either (i) choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback or (ii) choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment.

2.2. After considering several factors and benefits to the shareholders holding Equity Shares of the Company, the Board decided to recommend Buyback not exceeding 34,500 (Thirty Four Thousand Five Hundred) Equity Shares representing 0.53% of the total paid-up equity share capital of the Company at price of ₹ 14,500 (Indian Rupees Fourteen Thousand Five Hundred only) per Equity Share, payable in cash, for an aggregate maximum amount not exceeding ₹ 50,02,50,000/- (Indian Rupees Fifty Crore Two Lac Fifty Thousand only) excluding Transaction cost, which represents 9.93% and 1.05% of the aggregate of the Company's paid-up equity share capital and free reserves as per the audited condensed standalone interim financial statements as on September 30, 2022, and audited condensed consolidated interim financial statements of the Company as on September 30, 2022, respectively (the last audited financial statements available as on the date of Board Meeting recommending the proposal of the Buyback).

3. MAXIMUM AMOUNT OF FUNDS REQUIRED FOR BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP EQUITY SHARE CAPITAL AND FREE RESERVES AND SOURCES OF FUNDS FROM WHICH BUYBACK WILL BE FINANCED

3.1. The maximum amount required under the Buyback will not exceed ₹ 50,02,50,000/- (Indian Rupees Fifty Crore Two Lac Fifty Thousand only) excluding the Transaction Costs.

3.2. In accordance with the provisions of the Companies Act and the SEBI Buyback Regulations, the Buyback Size of ₹ 50,02,50,000/- (Indian Rupees Fifty Crore Two Lac Fifty Thousand only) excluding Transaction Costs, represents 9.93% and 1.05% of the aggregate of the Company's paid-up equity share capital and free reserves as per the audited condensed standalone interim financial statements as on September 30, 2022, and audited condensed consolidated interim financial statements of the Company as on September 30, 2022, respectively, and it does not exceed 10% of the aggregate of the fully paid up equity share capital and free reserves of the Company as per the audited condensed standalone interim financial statements as on September 30, 2022, and audited condensed consolidated interim financial statements of the Company as on September 30, 2022, respectively.

3.3. The funds for the implementation of the proposed Buyback (including the Transaction Costs) will be sourced out of the free reserves of the Company and/or such other sources as may be permitted by law. The funds borrowed from banks and financial institutions, if any, will not be used for the Buyback.

3.4. The Company shall transfer from its free reserves and/or such other sources as may be permitted by law, a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the capital redemption reserve account and the details of such transfer shall be disclosed in its subsequent audited financial statement.

12. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- 12.1 As required under the SEBI Buyback Regulations, the Company has fixed December 23, 2022 as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders who will be eligible to participate in the Buyback.
- 12.2 As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each Eligible Shareholder as on the Record Date will receive a Letter of Offer along with a Tender offer Form (including Form SH-4 as applicable) indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
- 12.3 The Equity Shares to be bought back, as part of the Buyback is divided into two categories:
 - a. Reserved category for Small Shareholders ("Reserved Category"); and
 - b. General category for other Eligible Shareholders ("General Category").
 As defined under Regulation 2(i)(n) of the SEBI Buyback Regulations, a "small shareholder" is a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange in which the highest trading volume, as on record date, is not more than ₹ 2,00,000 (Indian Rupees Two Lakhs only); For the purpose of classification of a shareholder, as a "small shareholder", multiple demat accounts having the same permanent account number ("PAN"), in case of securities held in the demat form to be clubbed together.
- 12.4 In accordance with the proviso to Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.
- 12.5 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each eligible shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of equity shares that the Company will purchase from each Eligible Shareholder will be based on the total number of shares tendered by such eligible shareholder. Accordingly, the Company may not purchase all of the shares tendered by an Eligible Shareholder in the buyback.
- 12.6 In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Reserved category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Reserved or General Category) and the Buyback Entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical

shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

- 12.7 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.
- 12.8 The Eligible Shareholders participation in the Buyback is voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.
- 12.9 If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback.
- 12.10 The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholders as on the Record Date.
- 12.11 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. The settlement of tenders under the Buyback will be done using the "Mechanisms for acquisition of shares through Stock Exchange" notified by SEBI Circulars. Eligible Shareholders will receive a letter of offer along with a tender/ offer form indicating the entitlement of the equity shareholder for participating in the Buy Back.
- 12.12 Detailed instructions for participation in the Buyback (tendering of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible shareholders as on the Record Date who have their email IDs registered with the Company/Registrar and transfer agent/ depository.
