

INDEPENDENT AUDITOR'S REPORT

To
The Members of
SRF Transnational Holdings Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **SRF Transnational Holdings Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year the ended and a summary of material accounting policies and other explanatory information (herein referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit and total comprehensive income, changes in equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and (ii) To evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 & 4 of the order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of such books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including (other comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this report are in agreement with the books of accounts.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, we report that none of the directors are disqualified as at 31st March 2025, from being appointed as a director in terms of section 164(2) of the Companies Act 2013.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

According to the information and explanation provided to us, the remuneration paid by the company to its director during the year is in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"); with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The interim dividend declared and paid by the Company during the year ending March 31, 2025 is in accordance with section 123 of the Act.

- vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE- "A" TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

i. In respect of Property Plant and Equipment and Intangible Assets:

- (a) (A)The Company has no Property, Plant and Equipment as on 31st March, 2025. Accordingly, reporting under clause 3(i)(a)(A) of the Order is not applicable

(B)The company has no intangible assets. Accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable.
- (b) The company has no Property, Plant and Equipment as on 31st March 2025. Accordingly, reporting under clause 3(i)(b) of the Order is not applicable.
- (c) The company does not have any immovable properties included under Property, Plant and Equipment. Accordingly, reporting under clause 3(i)(c) of the Order is not applicable.
- (d) The company has no Property, Plant and Equipment as on 31st March 2025. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder.

ii. In respect of Inventories:

- (a) The company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
- (b) The company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. In respect of investments, guarantee, security, loans or advances in the nature of loans:

During the year, the Company has made investments in, but has not provided any guarantee or security and has not granted any loans or advances in the nature of loans, secured and unsecured, to companies, firms, limited liability partnerships and other parties, during the year.

- (a) The Company is a Non - Banking Financial Company (NBFC) and hence clause 3(iii)(a) of the Order is not applicable to the Company.
- (b) In our opinion the investments made during the year are, prima facie, not prejudicial to the company's interest.
- (c) In respect of loans granted by the Company during earlier years, the schedule of repayment of principal and payment of interest had been stipulated. However, the repayments of principal and interest in relation to following loan has been delayed as on the date of signing of financial statements:
- The Company had paid Rs. 500.00 lakhs to Ambekar Consultants Private Ltd. ("ACPL") on 31st December, 2018 towards Debenture Subscription Agreement dated 30th December, 2018 which had been restructured into an ICD (Inter Corporate Deposit) during 2021. The balance is still outstanding as at March 31, 2025 and as explained to us, the Company has taken appropriate legal action for the recovery of the outstanding balances from ACPL.
- (d) In respect of loan granted by the Company during earlier years as referred to in sub-clause (c) above, the said loan is overdue. As explained to us, the Company has taken reasonable steps to recover the outstanding balance.
- (e) The Company is a Non - Banking Financial Company (NBFC) and hence clause 3(iii)(e) of the Order is not applicable to the Company.
- (f) The Company has not granted any loan or advances in the nature of loan either repayable on demand or without specifying any term or period of repayment during the year. Hence reporting under clause 3(iii)(f) is not applicable.
- iv. The Company has complied with the provisions of sections 185 and 186 of the Companies Act 2013, to the extent applicable, in respect of securities given against loan to fellow subsidiary, and investments made.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. In respect of statutory dues:

- (a) According to the information and explanations given to us and the records of the company examined by us, in our opinion, the company is generally regular in depositing the undisputed statutory dues including provident fund, income-tax, goods and services tax and any other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Income Tax and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- (b) In our opinion, there are no statutory dues which have not been deposited as at March 31, 2025 on account of any dispute.

viii: There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. In Respect of loan and borrowings:

- (a) The Company has taken loans from its related parties. As per the information and explanations provided to us and on the basis of records examined by us, the said loans are repayable on demand and the company has repaid the loan amounts as and when demanded for repayment by the lenders. Also, there is no default in the payment of interest against the said loans.
- (b) The company has not been declared willful defaulter by any bank or financial institution or government or any government authority
- (c) The company has not taken any term loans during the year and there is no outstanding term loan at the beginning of the year and hence reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of other entities.
- (f) The company has not raised any loans during the year on the pledge of securities held in its subsidiaries and hence reporting on clause 3(ix)(f) of the Order is not applicable.

x. In Respect of IPO/FPO and Private Placement/ Preferential Allotment:

- (a) The company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the current financial year, the Company has made private placement of preference shares (Optionally Convertible Redeemable Preference Shares ("OCRPS")) and the requirements of section 42 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised.

xi. In Respect of Fraud and Whistle Blower Complaints:

- (a) No Fraud by the company and no fraud on the company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the companies Act has been filed in form ADT-4 as prescribed under rule 13 of companies (Audit and Auditor) Rule, 2014 with the central government, during the year and up to the date of this report.
- (c) As represented to us by the management there are no whistle blower complaints received by the company during the year.

xii. The company is not a Nidhi Company hence reporting under clause 3(xii) of the Order is not applicable.

xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act 2013, to the extent applicable, with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Accounting Standards.

xiv. In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act, 2013. Accordingly, reporting under clause 3(xiv)(b) of the Order is not applicable.

xv. According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with them and hence the provisions of section 192 of Companies act, 2013 are not applicable to the Company.

xvi. In respect of registration with RBI and reporting for Core Investment Company:

- (a) The Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and has obtained the requisite registration as a Non-Banking Financial Company vide Registration No. B-14.03220, dated 16.06.2010, under section 45 - IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted any Non - Banking Financial activities without a valid Certificate of registration from Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) According to the information and explanations given to us by the management, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (d) The Group has only one CIC which is not required to be registered with the Reserve Bank of India.

xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the company during the year.

xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

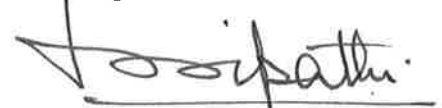

xx. In respect of unspent amount of CSR:

- (a) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project other than ongoing projects. Accordingly, clause 3(xx)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us, in respect of ongoing projects, the Company has transferred the unspent amount to a Special Account within a period of 30 days from the end of the financial year in compliance with Section 135(6) of the said Act.

ANNEXURE- "B" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of SRF Transnational Holdings Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Control

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based

on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

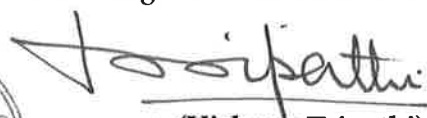

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in condition or that the degree of compliance with the policies or procedures may deteriorate.

SRF TRANSNATIONAL HOLDINGS LIMITED

Notes to financial statement for the year ended March 31, 2025

1 Corporate Information, Material Accounting Policies and Accounting Judgements, Estimates and Assumptions

A Corporate Information

SRF Transnational Holdings Limited ("the Company") is a public limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The registered office of the Company is situated at The Galleria, DLF Mayur Vihar, Unit No. 236 and 237, Mayur Vihar Place, Mayur Vihar Phase I Extn, Delhi - 110091.

The Company is a non-deposit taking non-banking financial company and registered with Reserve Bank of India. The financial statements were authorised for issue in accordance with a resolution of the directors on May 29, 2025.

B Material Accounting Policies

1 Basis of Preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the 2013, as amended Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the 2013 Act.

The financial statements have been prepared on an accrual basis and under the historical cost convention, except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency and all values are rounded to the nearest lakhs, except when otherwise indicated.

2 Revenue recognition

Revenue is recognised only when it can be reliably measured and it is probable that future economic benefits will flow to the Company.

a) Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably).

b) The Company recognises interest income by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial assets other than credit-impaired assets. The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash flows are estimated taking into account all the contractual terms of the instrument.

In case of credit-impaired financial assets, the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

c) The Company recognises other income on accrual basis as it becomes due.

3 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset.

Borrowing costs for the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets.

Interest income earned on temporary investment of specific borrowing pending expenditure on qualifying asset is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are expensed in the period in which they occur.

Q

SRF TRANSNATIONAL HOLDINGS LIMITED

Notes to financial statement for the year ended March 31, 2025

4 Property, plant and equipment (PPE)

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any.

Cost of acquisition or construction is inclusive of freight, duties, non recoverable taxes, incidental expenses and interest on loans attributable to the acquisition of qualifying assets, up to the date of commissioning of the assets.

Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for qualifying assets, upto the date of commissioning of the assets

Assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

5 Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation has been provided on the cost of assets less their residual values on straight line method on the basis of estimated useful life as prescribed under Schedule II of the 2013 Act. The useful life has been considered as 4.90 years (57 months) for the depreciation of the PPE.

Depreciation is calculated on a pro rata basis except, assets costing upto Rs. 5,000 each, which are fully depreciated in the year of purchase.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The estimated useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

6 Provisions and Contingent Liabilities

Provisions

The company recognises a provision when there is a present obligation (legal or constructive) as a result of past events and it is more likely than not that an outflow of resources would be required to settle the obligation and a reliable estimate can be made.

When the company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain.

The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities and commitments are reviewed by the management at each balance sheet date.

SRF TRANSNATIONAL HOLDINGS LIMITED

Notes to financial statement for the year ended March 31, 2025

7 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

a) Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss account i.e. in Other comprehensive income or equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts at the reporting date.

Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date.

Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the company has a legally enforceable right for such set off.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax relating to items recognised outside profit or loss is recognised in other comprehensive income or in equity.

8 Employee benefits

Short term employee benefits

Wages and salaries including non monetary benefits that are expected to be settled within the operating cycle after the end of the period in which the related services are rendered and are measured at the undiscounted amount expected to be paid.

Defined contribution plans

Provident fund administered through Regional Provident Fund Commissioner and Employees' State Insurance Corporation are defined contribution schemes. Contributions to such schemes are charged to the statement of profit and loss in the year when employees have rendered services entitling them to the contributions. The company has no obligation, other than the contribution payable to such schemes.

Defined benefit plans

The company has defined benefit plan such as gratuity, provident fund for certain category of employees administered through a recognised provident fund trust.

Provision for gratuity, provident fund for certain category of employees administered through a recognised provident fund trust are determined on an actuarial basis at the end of the year and charged to statement of profit and loss, other than remeasurements. The cost of providing these benefits is determined using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses and the effect of the asset ceiling, (excluding amounts included in net interest on the net defined benefit liability and return on plan assets), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to statement of profit and loss in subsequent periods.

AL

SRF TRANSNATIONAL HOLDINGS LIMITED

Notes to financial statement for the year ended March 31, 2025

Other long term employee benefits

The company also has other long term benefits plan such as compensated absences. Provision for compensated absences are determined on an actuarial basis at the end of the year and charged to Statement of Profit and Loss. The cost of providing these benefits is determined using the projected unit credit method.

9 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

10 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

11 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A) Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement

For purposes of subsequent measurement, financial assets of the company are classified in three categories:

- a) At amortised cost
- b) At fair value through profit and loss (FVTPL)
- c) At fair value through other comprehensive income (FVTOCI)

Financial asset is measured at amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade, other receivables and loans.

Financial assets not classified as measured at amortised cost or FVOCI as are measured at FVTPL. Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

SRF TRANSNATIONAL HOLDINGS LIMITED

Notes to financial statement for the year ended March 31, 2025

Equity Investments

All equity investments in the scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are measured at fair value through profit and loss.

For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value.

The company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in other comprehensive income. This cumulative gain or loss is not reclassified to statement of profit and loss on disposal of such instruments.

Derecognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised (i.e. removed from the balance sheet) when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (i) the company has transferred substantially all the risks and rewards of the asset, or (ii) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Impairment of financial assets

The company recognizes loss allowance using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all financial assets with contractual cash flows other than trade receivable, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECL (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss.

Based on the impairment methodology, the company classifies its loans into following categories:

Stage 1: 12-months ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognised.

Stage 2: Lifetime ECL – not credit impaired

For exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired, a lifetime ECL (i.e. reflecting the remaining lifetime of the financial asset) is recognised.

Stage 3: Lifetime ECL – credit impaired

Exposures are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

SRF TRANSNATIONAL HOLDINGS LIMITED

Notes to financial statement for the year ended March 31, 2025

In terms of the requirement as per RBI notification no. RBI/2019- 20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13th March, 2020 on Implementation of Indian Accounting Standards, Non-Banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset Classification and Provisioning (IRACP) norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the company exceeds the total provision required under IRACP (including standard asset provisioning), as at 31st March, 2025 and accordingly, no amount is required to be transferred to impairment reserve.

B) Financial liabilities and Equity instruments

Initial recognition and measurement

All financial liabilities are recognised initially at fair value, net of directly attributable transaction costs, if any. The company's financial liabilities include borrowings and trade and other payables.

Subsequent measurement

Borrowings

Borrowings are subsequently measured at amortised cost. Any differences between the proceeds(net of transaction cost) and the redemption/repayment amount is recognised in profit and loss over the period of the borrowings using the Effective interest rate method.

Trade and other payables

Trade and other payables represent the liabilities for goods and services provided to the company prior to the end of the financial year which are unpaid.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Equity Instruments

Equity Instruments are any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Debt or equity instruments issued by the company are classified as either financial liability or as equity in accordance with the substance of contractual arrangements and the definitions of a financial liabilities and an equity instruments.

Compound financial Instrument

The components of compound financial instruments issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and definitions of a financial liability and an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the weighted average borrowing rate of the Company. This amount is recognised as a liability on an amortised cost basis using the effective interest rate method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of liability component from the fair value of the compound financial instruments as a whole. This is recognised and included in equity and is not subsequently remeasured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. When the conversion option remains unexercised at the maturity date, the balance recognised in equity will be transferred to retained earnings. No gain or loss is recognised in profit or loss upon conversion or expiration of the conversion option.

SRF TRANSNATIONAL HOLDINGS LIMITED

Notes to financial statement for the year ended March 31, 2025

12 Fair value measurement

The company measures some of its financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- b) Level 2 — inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- c) Level 3 — inputs for the asset or liability that are not based on observable market data (unobservable inputs).

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

C Accounting judgements, estimates and assumptions

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes.

- . Determination of fair value of investments.

B. Reconciliation of number of shares outstanding:**Optionally Convertible Redeemable Preference shares**

	As at March 31, 2025	As at March 31, 2024
Shares outstanding at the beginning of the year	-	-
Shares issued during the year (Refer sub-note (1))	4,32,575.00	-
	4,32,575.00	-

I. During the year, the Company has issued 4,32,575 shares at the face value of Rs. 10 per share by way of private placement of shares

C. Rights, preferences and restrictions attached to the preference shares

The Company has preference shares having a par value of ₹ 100/- per share. Preference shares shall carry voting rights as per the provisions of Section 47(2) of the Companies Act, 2013.

The Company declares and pays dividend in Indian rupees. The preference shares shall carry a preferential right vis-à-vis equity shares of the Company with respect to payment of dividend and repayment of capital. However, the holders of the preference shares shall be paid dividend on a non-cumulative basis.

For terms of redemption, refer Note 9

D. Terms of conversion attached to Optionally Convertible Redeemable Preference shares

OCRPS shall be convertible into equity shares at the option of OCRPS Holder (Kama Realty (Delhi) Limited and Shri Educare Limited). The OCRPS holder can exercise this option in full or in part by giving notice of not less than 30 days to the Company thereof.

E. Details of the shareholders holding more than 5% preference shares in the Company**Optionally Convertible Redeemable Preference shares**

	As at March 31, 2025	
	Number of shares held	% of Holding
Preference shares of ₹ 100/- each fully paid up		
1. Kama Realty (Delhi) Limited	4,07,498	94.20%
2. Shri Educare Limited	25,077	5.80%
	4,32,575	100.00%

Nature and Purpose of other equity:**Capital reserve**

Capital reserve is reserve created in accordance with the provisions of Companies Act, 2013.

Capital redemption reserve

Capital redemption reserve is a statutory non distributable reserve into which amounts are transferred following the redemption or purchase of company own share.

Amalgamation reserve

Amalgamation reserve is reserve created in accordance with the provisions of Companies Act, 2013.

Retained earnings

Retained earnings represents the surplus in profit and loss account and appropriations.

Special Reserve under sec 45-IC of RBI Act, 1934

Reserve fund is created as per the terms of section 45-IC(1) of the Reserve Bank of India Act, 1934 as a statutory reserve.

Equity component of compound financial instruments

The Company has issued Optionally Convertible Redeemable Preference Shares (OCRPS) during the financial year ended March 31, 2025. Considering the accounting principles to be followed in line with Indian Accounting Standards, the Company has computed the liability portion of OCRPS as the present value of the contractual obligations associated with the instrument. The difference between the issue amount of the OCRPS and the liability so computed has been treated as the 'Equity component of compound financial instruments' and grouped under other equity.

Notes forming part of Financial Statements for the year ended March 31, 2025

27. Financial Instruments & Risk management

27.1 Capital management

The Company manages its capital to ensure that it will be able to continue as a going concern and provide reasonable return to the shareholders through maintaining reasonable balance between Debt and equity. The capital structure of the Company consists of net debt (borrowings net of cash and cash equivalents) and total equity of the Company. The Company's management reviews the capital structure of the Company on a periodic basis. As part of review, the management considers the cost of capital and risk associated with each class of capital. The Company also evaluates its gearing measures like Debt Equity Ratio, Debt Service Coverage Ratio, Interest Service Coverage Ratio, Debt to EBITDA Ratio to arrive at an appropriate level of debt and accordingly evolve its capital structure.

The following table provides detail of the debt and equity at the end of the reporting period:

	As at March 31, 2025 Rs./lakhs	As at March 31, 2024 Rs./lakhs
Borrowings	42,193.00	22,733.00
Debt Securities	756.27	-
Cash & Cash Equivalents	32.64	243.46
Net Debt	41,469.38	22,489.54
Total Equity	25,201.27	22,003.31
Net debt to equity ratio (times)	1.65	1.02

27.2 Financial Risk Management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to support Company's operations. The Company's principal financial assets include investments, loans, cash and cash equivalents and other receivables.

The Company is exposed to market risk, credit risk, liquidity risk and operational and business risk. The Company's management oversees the management of these risks. The Company's management reviews the financial risks and the appropriate financial risk governance framework for the Company. The Company's management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with Company's policies and risk objectives. The major risks are summarised below:

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily impacts financial instruments measured at fair value through profit or loss/other comprehensive income (OCI).

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have exposure to the risk of changes in market interest rate as it has debt obligations with fixed interest rates which are measured at amortised cost.

Credit risk

Credit risk is the risk that the counterparty will not meet its obligations under a financial instrument or a customer contract, leading to a financial loss. The Company is exposed to credit risk from its investing activities towards loan to prominent corporates.

Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's management is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. The Company manages its liquidity requirement by analysing the maturity pattern of the Company's cash flow of financial assets and financial liabilities. The Company's objective is to maintain a balance between continuity of funding and flexibility through issuance of equity shares etc. The table below analyze the Company's financial liabilities into relevant maturity profiles based on their contractual maturities:

	Less than 1 year Rs./lakhs	More than 1 year and upto 5 years Rs./lakhs	More than 5 years Rs./lakhs	Total Rs./lakhs
As at March 31, 2025				
Borrowings	42,193.00	-	-	42,193.00
Debt Securities	-	-	756.27	756.27
Other financial liabilities	42.13	9.60	-	51.73
As at March 31, 2024				
Borrowings	22,733.00	-	-	22,733.00
Other financial liabilities	6.32	9.60	-	15.92

27.3 Financial instruments by categories

Particulars	As at March 31, 2025 Rs./lakhs			As at March 31, 2024 Rs./lakhs		
	FVTPL	Amortised Cost	FVTOCI	FVTPL	Amortised Cost	FVTOCI
Financial assets						
Cash and cash equivalents	-	32.64	-	-	243.46	-
Loan	-	406.33	-	-	458.33	-
Investment	7,752.26	1,305.00	59,330.18	1,835.85	1,805.00	41,106.24
Other financial assets	-	237.44	-	-	278.50	-
	7,752.26	1,981.42	59,330.18	1,835.85	2,785.29	41,106.24
Financial Liabilities						
Borrowings	-	42,193.00	-	-	22,733.00	-
Debt Securities	-	756.27	-	-	-	-
other financials liabilities	-	51.73	-	-	15.92	-
	-	43,001.00	-	-	22,748.92	-

27.4 Fair value hierarchy

The following table provides an analysis of financial instruments that are measured at fair value and have been grouped into Level 1, Level 2 and Level 3 below:

	Level 1	Level 2	Level 3	Rs./lakhs Total
As at March 31, 2025				
Investments	17,364.92	33,802.84	17,219.69	68,387.44
As at March 31, 2024				
Investments	16,875.00	10,157.61	17,714.48	44,747.09

Level 1:

Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.

Level 2:

Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly. This level of hierarchy consists of over the counter (OTC) derivative contracts, open ended mutual funds, bonds and debentures.

Level 3:

Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments, compulsorily convertible preference shares, other investments and financial guarantees contracts.

SRF TRANSNATIONAL HOLDINGS LIMITED**Notes forming part of Financial Statements for the year ended March 31, 2025**

28. The company has no amounts due to micro and small enterprises covered under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act) as at 31.03.2025. The disclosure pursuant to the said Act has been given below on the basis of information available with the company:

S No.	Particulars	2024-25	2023-24
1	The principal amount remaining unpaid to any supplier as at the end of each accounting year.	-	-
2	The Interest due remaining unpaid to any supplier as at the end of each accounting year.	-	-
3	The amount of interest paid by the buyer in terms of section 16.	-	-
4	Amounts of the payment made to the supplier beyond the appointed day during each accounting year.	-	-

xi) Others	8,488.04	2,897.93
Total exposure to capital market	68,387.44	44,747.09

2

III Sectoral exposure

There is no sectoral exposure

IV Intra-group exposures	Year Ended March 31, 2025	Year Ended March 31, 2024
i) Total amount of intra-group exposures ii) Total amount of top 20 intra-group exposures iii) Percentage of intra-group exposures to total exposure of the NBFC on borrowers/customers	None	None

V Unhedged foreign currency exposure

There is no foreign currency transaction

(B) Related Party Disclosure

Please refer our note no. 35 for related party transactions

(C) Disclosure of complaints

There are no complaints received during the year as the NBFC do not have public interface.

34 Post-Employment Benefit Plans:

The Company sponsors funded defined benefit plans for qualifying employees. The defined benefit plans are administered by separate funds which are legally separate from the Company. These plans are:
Provident fund for certain category of employees administered through a recognised provident fund trust.

(i) These plans typically expose the company to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk.

Investment Risk

The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Salary Risk

The present value of defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in rate of increase in salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Interest Risk

The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in value of the liability.

Longevity Risk

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after employment. An increase in the life expectancy of the plan participants will increase the plans liability.

(a) Defined Contribution Plans:

Contributions paid / payable to defined contribution plans comprising of provident fund, pension fund, superannuation fund etc., in accordance with the applicable laws and regulations are recognised as expenses during the period when the contributions to the respective funds are due.

(b) Defined Benefit Plans:

	Amount in lakhs			
	Gratuity (Unfunded)		Provident Fund (Funded)	
	Year ended		Year ended	
	31st March 2025	31st March 2024	31st March 2025	31st March 2024
Expense recognised in the Statement of Profit and Loss				
Current service cost	0.17	0.13	0.31	0.36
Interest cost on benefit obligation	0.04	0.07	-	-
Annual expenses	0.21	0.20	0.31	0.36
Amount recorded as Other Comprehensive Income				
Actuarial (gain)/ losses arising from changes in financial assumptions	0.05	0.02	-	-
Actuarial (gain)/ losses arising from changes in experience adjustments	0.07	0.25	-	-
	0.13	0.27	-	-
Benefit Asset/ (Liability)				
Defined benefit obligation	0.92	0.58	0.81	3.93
Fair value of plan assets	-	-	2.60	4.29
Benefit Asset/ (Liability)	(0.92)	(0.58)	1.79	0.36
Changes in the present value of the defined benefit obligation:				
Opening defined benefit obligation	0.58	0.93	3.93	3.04
Acquisition Adjustments	-	(0.82)	-	-
Interest cost	0.04	0.07	0.06	0.29
Current service cost	0.17	0.13	0.31	0.36
Contributions by plan participants/employees	-	-	0.31	0.52
Benefits Paid	-	-	-	-
Net actuarial(gain)/loss recognised in year	0.13	0.27	(3.80)	(0.28)
Closing defined benefit obligation	0.92	0.58	0.81	3.93

The principal assumption used for the purpose of the actuarial valuation were as follows:

Discount rate	6.71%	7.10%	6.68%	7.13%
Future salary increases	7.50%	7.50%	-	-
Retirement Age	58	58	58	58
Attrition Rate:				
Up to 30 years	10%	10%	15%	15%
from 31 to 44 years	5%	5%	7%	7%
above 44 years	2%	2%	8%	8%
Mortality table used	IALM(2012-14)	IALM(2012-14)	IALM(2012-14)	IALM(2012-14)

Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of reporting period, while holding all other assumptions constant.

Gratuity		Gratuity	
Year ended March 31, 2025		Year ended March 31, 2024	
Rs./lakhs		Rs./lakhs	
Increase by 0.50%	Decrease by 0.50%	Increase by 0.50%	Decrease by 0.50%
(0.07)	0.07	(0.04)	0.05
0.07	(0.07)	0.05	(0.04)

Discount rate
Expected salary growth
